# WHO WE ARE

---

Lingo Hub - Speak the culture is a UK based language school that offers a wide range of courses and experiences both online and in person.

Our **English summer school** is intentionally small in size. After years of understanding what truly matters in education, we made it our mission to create an environment where **students are not just numbers**, but individuals with unique needs, strengths, and potential.

Jasmine founded this school from scratch, driven by a deep commitment to providing personalized attention to each student. In larger schools, it's easy for students to get lost in the crowd, but here, every student is known, supported, and nurtured. Our priority is to ensure that each child receives the guidance and care they deserve, allowing them to flourish both academically and personally.

# OUR MISSION AND VISION

IN OUR VISION, LANGUAGE IS NOT JUST A MEANS OF COMMUNICATION, IT IS A CULTURAL TRANSMITTER: IT IS A REFLECTION OF A CULTURE'S HISTORY, BELIEFS, VALUES AND IDENTITY.

We encourage our students to **SPEAK THE CULTURE** in such a way they will be able not only to speak the language but also to understand the customs, traditions and social norms of that culture.

When someone is able to speak the culture it means is able to navigate social situations, express themselves and interact with others in a way that is in line with the cultural expectations of that context.

# Welfare & Safeguarding

## OUR COMMITMENT

At Lingo Hub, we believe in creating an environment where every student feels **safe, supported, and empowered** to thrive academically and personally. Our commitment to safeguarding and welfare is unwavering, as we understand the profound impact a secure and nurturing setting can have on a child's overall development.

By prioritizing the safety and well-being of our students, we create an environment where they can flourish academically, socially and emotionally.

At Lingo Hub, our commitment to safeguarding and welfare is not just a promise—it's a **fundamental principle** that guides everything we do.
