About Us.

Lingo Hub - Speak the culture is a UK based language school that offers a wide range of courses and experiences both online and in person.

Our **English summer school** is intentionally small in size. After years of understanding what truly matters in education, we made it our mission to create an environment where **students are not just numbers**, but individuals with unique needs, strengths, and potential.

Jasmine founded this school from scratch, driven by a deep commitment to providing personalized attention to each student. In larger schools, it's easy for students to get lost in the crowd, but here, every student is known, supported, and nurtured. Our priority is to ensure that each child receives the guidance and care they deserve, allowing them to flourish both academically and personally.

Mission & Vision.

VISION

IN OUR VISION, LANGUAGE IS NOT JUST A MEANS OF COMMUNICATION, IT IS A CULTURAL TRANSMITTER:
IT IS A REFLECTION OF A CULTURE'S HISTORY, BELIEFS, VALUES AND IDENTITY.

MISSION

WE ENCOURAGE OUR STUDENTS TO **SPEAK THE CULTURE** IN SUCH A WAY THEY WILL BE ABLE NOT ONLY TO SPEAK THE LANGUAGE BUT ALSO TO UNDERSTAND THE CUSTOMS, TRADITIONS AND SOCIAL NORMS OF THAT CULTURE.

WHEN SOMEONE IS ABLE TO SPEAK THE CULTURE IT MEANS IS ABLE TO NAVIGATE SOCIAL SITUATIONS, EXPRESS THEMSELVES AND INTERACT WITH OTHERS IN A WAY THAT IS IN LINE WITH THE CULTURAL EXPECTATIONS OF THAT CONTEXT.

Welfare&Safeguarding

OUR COMMITMENT

At Lingo Hub, we believe in creating an environment where every student feels **safe**, **supported**, and **empowered** to thrive academically and personally. Our commitment to safeguarding and welfare is unwavering, as we understand the profound impact a secure and nurturing setting can have on a child's overall development.

By prioritizing the safety and well-being of our students, we create an environment where they can flourish academically, socially and emotionally.

At Lingo Hub, our commitment to safeguarding and welfare is not just a promise, it's a **fundamental principle** that guides everything we do.

THE ENGLISH COURSE

Lesson times

The course includes 15 hours of General English per week, Monday to Friday and classes take place from 9.15 am to 12.30 pm with 15 minutes break at 10.45 am.

Topic-based lessons

Our syllabus is designed based on weekly topics such as: music, food, social media, tv series.

We are happy to customize the course and design a new syllabus if requested by the group.

Cultural immersion in class

We encourage our students to SPEAK THE CULTURE in such a way they will be able not only to speak the language but also to understand the customs, traditions and social norms of that culture.

For this reason our teachers integrate the syllabus with cultural insights and real life scenarios.

Attending our summer courses students will be ready to navigate in social situations, express themselves and interact with others in a way that is appropriate and in line with the cultural expectations of that context.

We want to accompany our students not only in the educational journey but also in their personal growth.
